Notes:

* denotes attained age: the actual age of the driver.
 # denotes competition age: the age the driver will attain during the current calendar year.
 Junior drivers who compete in a 15+ age group class race cannot thereafter compete in junior classes.
 TaG and shifter engine packages and weights may be reviewed and changed by the club.

Updated 8/14/2020 to correct clerical error on weights for TAG Jr Fireball, TaG Senior Rotax Evo and non-Evo.
